

GSO Senate Resolution 13.05

A Resolution to Fund a New Stretching Space in Archbold Gymnasium

Whereas, there is inadequate space for stretching, floor work, and calisthenics in Archbold Gymnasium;
and

Whereas, the President has met with the Directors of Recreation Facilities and Fitness Centers, they have agreed that the need for this space exists and have agreed to proceed; and

Whereas, the GSO has allocated \$10,000 for an institutional gift in the Budget for Fiscal Year 2012-2013, therefore be it

Resolved, That a portion of the institutional gift be devoted to support the purchase of stall bars for \$600, miscellaneous balls and racks for \$750, stretching mats for \$850, and a television system for \$650 in the new stretching space being built in Archbold Gymnasium during the end of the fall semester 2012.
