

GSO Senate Resolution 15.04

A Resolution to Fund Incentives for a Survey of All Graduate Students

Whereas, the GSO has not conducted a mass survey of its constituents in over seven years, and therefore will be conducting a survey of all fee-paying graduate students this semester; and

Whereas, incentives are necessary to encourage a high survey response rate, as has been demonstrated by repeated survey attempts by the GSO and other units across campus; therefore, be it

Resolved, that \$750 be allocated from the Special Programming budget line (C2.1) to be used for survey incentives for the all-graduate student survey at the Board's discretion.
