Executive Reports

Presidents Report

- Summary of Summer Work
  - First provided a summary of the GSO, talked about past projects including: making TA’s eligible to work outside departments, health care benefits, fighting library relocation, obtaining a childcare stipend
that will begin this January, working on a unified maternity leave policy, getting security locks installed on doors, a increase in TA pay.

- Fast Forward Syracuse – This is a three-tier project, an operational excellence group, a strategic planning group, and a campus master plan. The GSO made sure that graduate students were placed on these groups to represent the graduate student voice.
- Closure of the Advocacy Center – The GSO worked with students to ask questions about the closure of this center and work with the administration.

- Fall Picnic – There were approximately 780 people in attendance, thanks to Tiel and Peta.
- GSO Info Packet – Engaged approximately 1200 students in the 1-week of orientation, thanks to the group of 7/8 people that made that happen.
- Mentioned a resolution about restructuring, which will be recommended at this meeting. Broadens the interests of the committees and the president hopes that this will cause more engagement with the administrators re: student's concerns.
- No Questions.
