

GSO Senate Resolution 17.09

A Resolution to Refund and Reinstitute Park Pass Program

Whereas, the Empire Park Passport purchase program supports many students over the course of the summer, particularly international students and students with children who are historically underserved, and has done so with continuous student body support as evident by the continued demand; and

Whereas, the Syracuse University GSO Senate reallocated the funds for the Park Pass Program to enable Special Programming funding to continue throughout the 2016-2017 academic year; and

Whereas, the Fiscal Policy states that we maintain a reserve fund of \$50,000, while said fund sits well above this amount; and

Whereas, the budget will expire at the end of May; therefore, be it

Resolved, that the Senate allocates \$24,750 to purchase Empire Park Passports, from rollover funds, for distribution before the end of the current fiscal year; and

Resolved, that these Empire Park Passports be sold to GSO members and ESF graduate students for \$20 each, in accordance with all normal Empire Park Passport program restrictions, and that all funds collected be added to the rollover account.
