

GSO Senate Resolution 18.11

Strengthening Communication between GSO and SA

Whereas, Syracuse University graduate and undergraduate students have common interests; and

Whereas, the interests of these groups are advanced by their respective governments, the GSO and Student Association; and

Whereas, effective collaboration between these two bodies better promotes the common interests of both graduates and undergraduates; and

Whereas, effective collaboration depends on effective communication; and

Whereas, effective communication requires an understanding of each representative body by the other; therefore, be it

Resolved, that the GSO invites a representative from SA to GSO Meetings to participate in discussions and represent the position of SA as appropriate for a guest of the Senate;

Resolved, that, as permitted by GSO Senate Resolution 17.02, the NAGPS committee be given the following task in addition to their current duties:

The NAGPS Committee is tasked with liaising directly with SA. A member of this committee shall attend each SA meeting, represent the position of the GSO, and report pertinent information from those meetings to the GSO, as appropriate.
