

## GSO Senate Resolution 15.14

### **A Resolution to Make Available the Contact Information of GSO Senators**

**Whereas**, membership of the GSO Senate is largely unknown to GSO members, as well as most GSO Senators, and is not readily available through the GSO webpage, academic units, or GSO meeting minutes, and;

**Whereas**, making available the names, academic unit affiliations, and contact information for all GSO Senators would allow non-Senate members of the GSO to communicate directly with Senators outside of their department or academic program, and would facilitate collaboration and communication between individual GSO Senators, and;

**Whereas**, the GSO webpage provides general information on the GSO and archives past activities, and is therefore a logical place for listing such information; therefore, be it

**Resolved**, that the Executive Board shall publish on the GSO webpage, with timely updates, a list of the names, academic unit affiliations, and email addresses for all current GSO Senators, and;

**Resolved**, that Senators are directed to provide such information as needed to the Board to facilitate the publishing of this contact information, and;

**Resolved**, that the Executive Board shall maintain and publish a list of past Senators, insofar as data on previous Senators exists.
